Job Description for Kaleo Worship Arts Ministry (KWAM)

Opportunity: Slides Tech

Summary: The Worship Arts ministry at Kaleo is actively engaged in preparing hearts for worship through song. Every team member plays an active role in leading others in worship and removing obstacles. The A/V tech team plays a vital role in making the worship team heard, visual aids seen, and our Sunday service available online. The Slides Technician sets up Kaleo's prepared slides on Sunday mornings and runs them as the service goes along.

Time Requirements:

- Sundays, 10:45am-1:30pm, at least once every two months

This Position Reports to: Worship Arts Director, Katie Sharp ksharp@kaleoalaska.org

Responsibilities and Authority:

- Log into Kaleo's Proclaim account
- Log into Kaleo's Spotify account
- Double check the order of worship and songs are correct
- Work with the teaching pastor to make sure slides or videos are accurate
- Controlling Pre/Post Svc Spotify Playlist.
    - Pre Svc Playlist starts at 11:25 (fellowship hall speakers) and 11:35 (auditorium speakers)
    - Post Svc Playlist starts promptly after band exits stage at the very end of the service
- During the service, anticipate slide changes and troubleshoot any issues

Qualifications:

- No experience necessary, but must be comfortable with technology and willing to learn.
- Complete a background check
